

Ann Blatherwick

Date co-opted: 10th August 2000

Elected: May 2003, **re-elected:** May 2007

Roles and Responsibilities: Vice-Chairman of Parish Council (2008 – 2010), Chairman of Planning & Highways Committee (2001 – 2010), Member of Environment & Leisure Committee (2001 – 2010)

Parish Council Representative on outside bodies: St Martin's 700th Anniversary Committee, Broomfield Allotment Society.

Training: Planning 2001 & 2006, Power of Well Being 2009.

Interests: My family, walking, natural environment, science, reading and the promotion of science and engineering in schools.

Memberships: Institution of Civil Engineers, National Trust.

Statement: I have lived in Herne since 1991 and have two young children, both of whom have attended Herne Infant and Junior schools. As a Chartered Civil Engineer I take a great interest in planning and highway issues. I am keen to ensure that our Parish should remain semi rural and any development should be carried out sensitively in a way that enhances our environment. My wish list for our area includes a farmers market and some form of craft centre to encourage small craft based industries coupled with classes to learn these skills, also a community centre to provide a venue for all the many activities that local people enjoy but have to travel out of the area to undertake (and possibly try some new ones!)
