**Statement:** I moved to Herne from Dartford with my family and pet Beagle in September 2012 and have enjoyed the 18 months or so we have lived here. Whilst living in the village we have added to our family a little Cavapoo and have found Herne to be an ideal place to live.

I am married to Jane and have three children, Ami and Rob live at home but both work up in London as does my wife, My youngest is in yr 6 at Herne Juniors soon to move up to Herne Bay High this September.

I work as a Postal Services Supervisor at the University of Kent.

I am a firm believer in contributing to the community in which I live, it was one of the main reasons for moving here and also why I decided to stand for the Parish Council, and I have found becoming a member of the parish council to be very rewarding; as a team we strive to improve village life wherever possible and to make the most of the resources at our disposal and I am looking forward to seeing what we can achieve as a whole community.
