

Should the Mill Lane phone box be removed?

Following vandalism of the phone box in Mill Lane, letters were sent to some of the residents nearby, asking whether the phone box should be removed or not. About 30 letters were delivered and ten responses received to date. Eight of these are in favour of the phone box being removed and two against. The Parish Council would like to give all the residents of the parish an opportunity to comment.

Please email the council clerk on hbparishcouncil@lineone.net or send your views to the council office at Herne Mill.

Yes the phone box should be removed

No the phone box should not be removed

Any other comments?
