

Outdoor Fitness Equipment Consultation

December 2007 - January 2008

The Parish Council has been asked to provide outdoor fitness equipment for older residents. In order to find out residents views on this suggestion we are asking as many people as possible to respond to this consultation by answering the questions below.

It is proposed that the equipment would be positioned in the Cherry Orchard Playing Field adjacent to the wildlife area and near the children's play area. The type of equipment envisaged is: a sit up bench, a ski stepper, a mini ski, pull up bars, parallel rails, power push, handle boat (rowing machine) and a pull down challenger. Something to work every part of the body! The equipment would be suitable for all ages and fitness levels. It is hoped that funding will be available to cover the majority of the cost, which is approximately £12,000.

1. Would you use this type of equipment?

Yes No

2. Do you know of anyone who would use the equipment?

Yes No

3. Would you support the installation of this equipment?

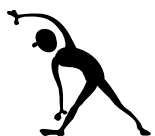

Yes No

If No to question 3 please give your reasons?

Name

Address

Thank you for taking the time to fill in this questionnaire, please print off and return to: Monica Blyth, Parish Council Office, Herne, Kent, CT6 7DR save and email to hbparishcouncil@lineone.net by 31st January 2008.
