

Have your say on our Public Rights of Way.

The Parish Council would like to hear the views of the people of the Parish on how the public footpath network in and around Herne and Broomfield could be improved.

- Which stiles could be replaced by a gate or gap?
- Which paths no longer serve a purpose?
- Where should any new paths be provided to link communities together or improve access to schools, shops, doctor's, etc.?
- How best can our Public Rights Of Way network be improved?

The PROW map will be on display at the Parish Council Office at Herne Mill between 9 am and 12 noon — Monday to Friday for the week commencing 4th September.

Map Boards are also on display at Curtiswood Park Road in Herne or beside Broomfield Pond in Margate Road.

Comments must be received by September 12th.
