

# Herne & Broomfield

## Lots to do and join in with

Herne and Broomfield has many organisations, clubs and societies, something to suit everyone.

Meetings are held mainly at the four halls in the Parish or the school halls.

The Cherry Orchard Playing Field in Canterbury Road is used for football and cricket; there is a children's play area, outdoor gym equipment and a multi-games ball court.

Broomfield Community Park in Ford Road also includes a regional standard BMX track. Also in Ford Road are the Allotment Gardens.

We have public open space at Curtis Wood Park and Wood, Herne, plus East Blean Woods, National Nature Reserve in Hicks Forstall Road and access to West Blean Woods from New Road or Braggs Lane at Herne Common.

There is a good network of Public Rights of Way (map boards situated at Broomfield Pond and Curtis Wood Park Road).

The Parish is well served with places for worship and we have five pubs.
